PICNIC
FOR
P/NNACLE

Despite Australia finally achieving marriage equality in 2017, life for young LGBTIQ+ Australians is still not yet a truly equal one.

Even today many face discrimination, abuse, prejudice and bullying that can cause long term psychological damage, and close off potential paths and opportunities for success. The Pinnacle Foundation's goal is to re-open those paths, allowing hidden potential to flourish.

By scanning the QR Code to the left and donating to The Pinnacle Foundation, you are making a valuable contribution.

This donation will provide funding for scholarships, a safe and encouraging support network, and mentorships with a person of the same gender identity, sexual orientation and academic or professional interest.

Donations \$2 and over are tax-deductible
