

Jen's Mozza, Capsicum and Bacon Skewers

Recipe from Jen, a friend of the Pinnacle Foundation

INGREDIENTS:

6 whole roasted red capsicums,
cut into strips
Fresh basil
Streaky bacon, cooked and cut
into thirds
Baby mozzarella balls
2 tablespoons extra virgin olive oil
Salt and pepper

METHOD:

Step 1

Top the roasted capsicum strips
with basil, bacon, and a baby
mozzarella ball.

Roll the strip securely around the
filling, and secure with a skewer or
long toothpick.

Step 2

Arrange on your serving platter,
drizzle with olive oil, and season
with salt and pepper to taste.

Jen's note

"This works just as well with prosciutto or even shaved ham, and
make a nice alternative to stuffed peppers from the jar."
