

# Tim's Picnic Aperol Spritz

Recipe from Tim, Marketing Manager at the Pinnacle Foundation  
and Gogglebox Couch Critic

## INGREDIENTS:

Ice

1 part Aperol

2 parts Prosecco / sparkling  
wine or Moscato (if you like it  
sweet!)

A splash of club soda or  
sparkling water

Orange slice, for garnish

## *Tim's note*

"The classic Aperol Spritz  
doesn't call for Moscato, but I  
like to use it for picnic drinks  
as it's bright, and sweet - just  
the way a picnic should be!"

## METHOD:

### Step 1

Add ice to a glass until it is nearly  
full.

Pour in the Aperol (if you're  
eyeballing it, it's about a third of  
the glass)

### Step 2

Pour in the Prosecco, sparkling  
wine or Moscato.

Top off with a splash of club soda,  
and add a slice of orange to  
garnish.

If you prefer yours less bitter, you  
can use a higher  
Prosecco-to-Aperol ratio, or use  
Moscato instead in for that sweet  
hit.
